Guatemala Mission Trip – 2024

Daily Activities:

Following morning sessions of worship and ministering within the team- as a group, along with their respective group leaders, will be assigned interpreters and transport vehicles/drivers and will journey to local villages and favelas (slums) where they will spend the greater part of their day ministering from house to house, sharing the Gospel and distributing food and clothing to the needy. Some teams will also be assigned to the local schools and orphanages.

At *A Call To The Nations/ Alive2Love* we believe that as you meet people's physical needs, you earn the right to meet their spiritual needs also!
